

6.38mm 8.38mm 10.38mm 12.38mm clear float laminated glass manufacture

Clear laminated glass specification :

Clear laminated glass is one kind of safety glass under high temperature by interlayer PVB membrane between glasses. It can be two sheets or more than two sheets. The heat and high humidity treatment PVB film and the glass makes laminated glass for safe glass with excellent performance. Visibility is excellent, it can meet the external impact and pressure penetration. Once broken, the broken pieces will still be stuck with the middle coating so to avoid further injury or property loss because of glass falling. Moreover, the whole glass still keeps its integrity and can continue to resist impact and provide a shelter from wind and dust.

Process	1. Glass & PVB film, 2. Heating, 3. Press, 4. Heat & Press, 5. Cooling
Production of PVB	1. Heating, 2. Press, 3. Cooling, 4. Press, 5. Heat & Press, 6. Cooling
Production of float	1. Heating, 2. Press, 3. Cooling, 4. Press, 5. Heat & Press, 6. Cooling
Production of edge	1. Heating, 2. Press, 3. Cooling, 4. Press, 5. Heat & Press, 6. Cooling
Material type	Clear glass or tinted glass

Property :

- Extremely high safety. The PVB interlayer withstand penetration from impact.
- Energy saving building envelope. 30% ultraviolet radiation and 99% heat radiation of solar heat and reduces cooling load.
- Crash resistant while in building. Laminated glass with a colored interlayer will beautify the building and harmonize their appearance with surrounding view which meet the demand of architecture.
- Sound control. PVB interlayer is an effective absorber of sound.
- Ultra-violet screening. The interlayer filters out ultra-violet rays and prevents the furniture and curblins for fading effect.

Clear laminated glass:

Laminated glass application :

- Exterior wall
- Exterior partitions
- Exterior windows
- Exterior doors
- Exterior balconies
- Exterior and so on.

Packing & Delivery :

Packing : One priority customer order with special treatment each two glass panels, or customized as you need.

Delivery : Clear laminated glass can be shipped within 30 days after receiving your request of TT or LC.

FAQ:

- Q: What is your minimum order quantity?
A: Our MOQ is 2000sq. Products of different sizes and specifications could be mixed in one container.
- Q: What is your delivery schedule for regular customers?
A: We are a manufacturer of glass and mirror products, and we have our own factory and advanced production lines.
- Q: Can you manufacture to match your drawings?
A: Yes, we can provide you with samples. The samples can be provided for your reference.
- Q: Can you do the production as customized?
A: Yes, we can provide products according to your requirements.
