Custom mirrors in FLYING

If you are just looking for the large silver mirror /aluminum mirror manufacturer/ factory for your dance room ,gym, club from China , Qingdao Yujing Fanyu is the company you need to take the attention

Our Silver Mirror is produced using the highest grade float glass. This clear float glass is washed in purified water after which it is spray coated with a silver and copper layer consecutively. Paint is then applied in a two layer process: The first pass is for corrosion resistance and the second pass is to make the mirror waterproof

Delivery:

- Interlay paper or powder between two sheets.
